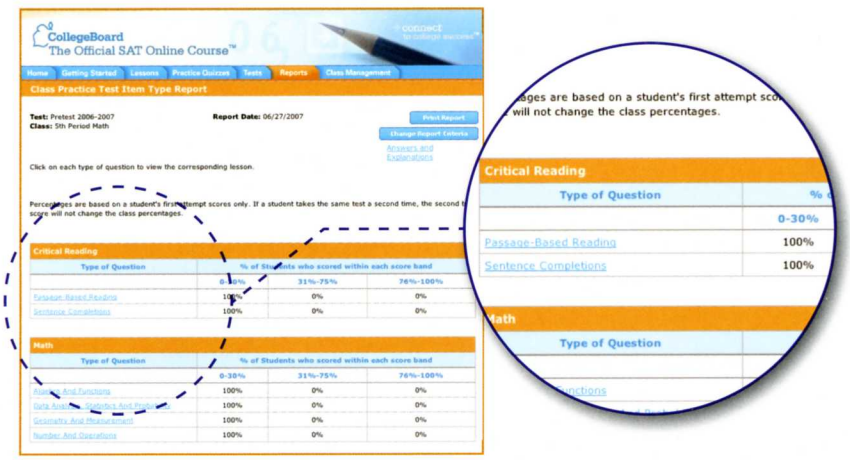
Easy Online Class Management

- Create student classes
- Post student announcements
- Score student essays



Powerful Reporting Tools

- Monitor student progress
- Track class or school improvement
- Generate reports by question type

"The wonder of the course is it's so easy to use."

Lee Felts, Academic Coordinator, Amon Carter Riverside High School

"It's an excellent tool, an excellent teaching aid, and we've all benefited from it."

Tom Gebert, Principal, Cambridge-South Dorchester High School
